Re: Beth Israel Medical Center et al. v. Verizon Business Network Services, Inc.
et al. 11 Civ. 4509 (RJS) [rel. 12 Civ. 1028]; Beth Israel Medical Center
et al. v. Siemens Information and Communication Networks, Inc. et al.,
12 Civ. 1028 (RJS) [rel. 11 Civ. 4509]

Dear Judge Sullivan:

As counsel for Plaintiffs, I write on behalf of all parties in the above-captioned two cases to ask the Court to extend from December 1 to December 15 the deadline in its October 11, 2013 Order to complete a settlement conference. The October 22, 2013 reassignment of the settlement conference to Magistrate Judge Pitman and scheduling conflicts of more than one party have made it impossible to schedule a full-day settlement conference before December 1. However, the parties and Magistrate Judge Pitman are able to schedule such a conference in the first week of December. We therefore jointly request that the Court grant an extension of the deadline to complete a settlement conference to December 15.

Respectfully,

Kevin J. Fee
